Subject:	Vote NO on the "Boycott, Divestment, and Sanctions" (BDS) resolution

Please vote against the "Boycott, Divestment, and Sanctions" (BDS) resolution and stick to voting on matters that deal with the immediate needs of the City of Cambridge.

My wife and I will withhold our votes in the future from any city councilor who votes for that resolution, which is anti-Semitic, anti-Israel, and promotes a one-sided view of the Israeli-Palestinian conflict.

Thank you.
